Do not scale from this drawing except for planning as
photocopies will be subject to distortion
and should be checked against drawings and specifications
before construction. Designers and other Designers
are responsible for ensuring that the drawings are
checked immediately.
The drawings are for information only and do not
constitute a contract. All dimensions are given in
millimetres unless otherwise stated.
Suitable materials and products to those named will be
acceptable if proven to be of equal or higher performance and
not in conflict with the drawings.
