Re: EB/2010/0477(FP) + EB/2010/478/LB)

St. Elisabeths Church + Parsonage, Victoria Drive

With regard to the proposed conversion of the above mentioned, we would like to make the following objections, as we feel they would result in the following developments: -

- ①. Loss of privacy to our property at 264 Victoria Drive.
- ②. Overdevelopment of Parsonage garden resulting in noise, pollution, loss of natural habitat, security.
- ③. Increase of traffic volume to Victoria Drive creating further problems to pedestrians and public safety and road parking problems.

P.T.O.

④. Proposed design of the Church roof is not appropriate to the appearance of the site and will result in loss of privacy to properties and gardens.

Yours faithfully,
