Dear Mr Hayes

Town and Country Planning Act 1990
Appeals by HOP Construction & Developments Ltd
Site at St. Elisabeths Church, 266-268 Victoria Drive, Eastbourne, BN20 8QX

I have received appeal forms and documents for this site. I am the case officer, if you have any questions, please contact me.

I have checked the papers and confirm that the appeals are valid. If I later find out that this is not the case, I will write to you again.

The procedure and starting date

The appellant has requested the written representations procedure. We have applied the criteria and considered all representations received, including the appellant's preferred choice. We consider that the written representations procedure is suitable and we intend to determine these appeals by this procedure.

The date of this letter is the **starting date** for the appeals.

Sending documents to us and looking at the appeals

If you post your documents, please:

- send one copy of the questionnaire and its supporting documents;
- send two copies of other documents as specified below;
- put the full appeal reference numbers on each copy.

If you email them to the email address above please quote the full appeal reference numbers. Guidance on communicating with us electronically can be found in GPA Note 06, which is available from www.planningportal.gov.uk/pcs.

You can look at this case using the Planning Casework Service

by typing in the appeal reference numbers and clicking on "Search for Cases".

Keeping to the timetable

You must keep to the timetable set out below and make sure that you send us the relevant documents within these deadlines. This will mean that we can deal with these appeals promptly and fairly. If you do not send us the relevant documents in time, the Inspector will not normally look at them and we will return them to you unless there are exceptional reasons for accepting them. Inspectors will not accept any documents from you or discuss the appeals at the site visit. Also, Inspectors will not delay their decision to wait for any such documents. You must note the details of the following timetable because we will not send any reminders.

The following documents must be sent within this timetable.

By 11 April 2011

You must notify any person who was notified or consulted about the application in accordance with the Act or a development order and any other interested persons who made representations to you about the application, that the appeals have been made. You should tell them:-

- i) that any comments they made at application stage will be sent to me and the appellant and will be considered by the Inspector (unless they withdraw them within the 6 week deadline). If they want to make any additional comments they must submit 3 copies within 6 weeks of the starting date, **by 9 May 2011**. If comments are submitted after the deadline, the Inspector will not normally look at them and they will be returned;
- ii) when and where the appeal documents will be available for inspection;
- iii) that the Planning Inspectorate will not acknowledge representations. We will, however, ensure that letters received by the deadline are passed on to the Inspector dealing with the appeals;
- iv) that they can get a copy of our booklet 'Guide to taking part in planning appeals proceeding by written representations' either free of charge from you or on your website, or on the Planning Portal (www.planningportal.gov.uk); and
- v) that the decision will be published on the Planning Portal.

You must send a copy of a completed appeal questionnaire and supporting documents, including relevant development plan policies, a copy of your notification letter and a list of those notified to the appellant and me. You have the opportunity to state your preferred choice of procedure by answering Question 1 of the appeal questionnaire.

By 9 May 2011

Please send me 2 copies of your statement if the appeal questionnaire does not give full details of your case. The appellant must send 2 copies of any statement to me if they need to add details to the case made in their grounds of appeal. I will send a copy of your statement to the appellant and send you a copy of their statement. Please include a list of any conditions or limitations you would agree to, if the appeals were to be allowed. I will send you and the appellant a copy of any comments sent by interested people or organisations.

By 30 May 2011

You and the appellant must submit 2 copies of any final comments you and they have on each other's statement and on any comments from interested persons or organisations. You must not send your final comments instead of, or to add to your statement. No new evidence is allowed at this stage. I will send you a copy of the appellant's final comments at the appropriate time.

Site visit

We will arrange for one of our Inspectors to visit the appeal site. If it is decided that the Inspector should be accompanied by the main parties, we will send you details of these arrangements nearer the time. If, however, an unaccompanied site visit can be made you will **not** be informed in advance and the Inspector should not be approached should you happen to observe him/her whilst he/she is conducting the site visit. If you were to do so the Inspector would of course identify him or herself but would not be able to engage in conversation with you at that time.

Withdrawing the appeals

If you hear that the appeals are to be withdrawn, please telephone me immediately. If I receive written confirmation of this from the appellant, I will write to you.

Costs

The appellant has been directed to our advice pamphlet '*Costs awards in planning appeals*'. You should also be aware that costs may be awarded to either party.

Planning obligations - section 106 agreements

A planning obligation, often referred to as a 'section 106 agreement', is either a legal agreement made between the LPA and a person 'interested in the land' or a legally binding undertaking signed unilaterally by a person 'interested in the land'. If you intend to submit a planning obligation you must read the guidance provided in GPA Note 16, which is available from www.planningportal.gov.uk/pcs. A certified copy must be submitted to me no later than 9 weeks from the date of this letter.

Further information

Further information about the appeals process can be found in our Good Practice Advice Notes. These notes can be accessed at: www.planningportal.gov.uk/pcs or you can contact me if you want a hard copy of any of the notes. Advice on producing statements is in GPA Note 07. I recommend that you read the relevant guidance.

Yours sincerely

pp Roger Tucker
